CRIPPEN TRIAL WAS BEGUN THIS MORNING

Prosecution Announces That Poison Had Been Found in Bottle.

Chicago's Daily.

London, Sept. 6.—At the opening today of the trial of Dr. Crippen, charged with the murder of his wife, Belle Elmore, the prosecution announced that large quantities of poison had been found in the woman's body and that there were evidences she had been subjected to an operation.

Chief Charles Leneve, the doctor's typist, was also arraigned today, but the Crown stated that it had been decided to confine the allegations against the girl to being accessory after the fact.

FARMERS' UNION OF THE SOUTH CONVENES

Charlotte, N. C., Sept. 6.—All sections of the South and many of the middle and western states have sent delegates to the national convention of the Farmers' Educational and Cooperative Union of America, which began its sessions in this city today. Plans for strengthening the organization, which already has a membership of over a million, will be discussed, together with numerous matters relating to the growing, warehousing and marketing of crops.

NEW MEXICO PREPARES FOR CONSTITUTIONAL CONVENTION

SPECIAL TAX TO FLOAT THE EXPO

California Legislature, in Special Session, Will Vote to Submit Propositions to the People

[SPECIAL TO THE GAZETTE.]

Sacramento, Cal., Sept. 6.—In response to the call of Governor Hildet the California legislature convened in special session today. The object of the session is to adopt resolutions to be submitted to the voters of the state at the November election by which the state constitution may be amended so that a special tax of 4 cents on each dollar may be imposed for five years, the proceeds of the tax to be used for the benefit of the Panama-Pacific Exposition at San Francisco in 1915, provided congress designate the California metropolis as the exposition city.

ST. PAUL THROG HEARS ROOSEVELT

Ex-President Delivers an Address on "National Efficiency" at Conservation Congress.

St. Paul, Minn., Sept. 6.—The St. Paul Auditorium, spacious though it be, proved totally inadequate to accommodate the crowd that sought admittance this morning to hear the address of ex-President Roosevelt. The ex-President address on the subject of "National Efficiency" was the chief feature of the programme of this, the second day of the National Conservation Congress.

John Barrett, director of the International Bureau of American Republics, presided at the session this afternoon. The speakers and their subjects were as follows: "The Prevention of Power Monopoly," Herbert H. Smith, U. S. Commissioner of Corporations; "The Franchise as a Public Right," Governor Hildet of the Republic of Cuba; "The Development of the Water Power in the Interest of the People," George C. Burden, ex-governor of California; "Safeguarding the Property of the People," Francis J. Heney of California; "Water as a Natural Resource," E. A. Fowler of Phoenix, Arizona, president of the National Irrigation Congress.

Milwaukee Awails Him.

Milwaukee, Wis., Sept. 6.—Every thing is in readiness for the reception of ex-President Roosevelt, who is due to arrive in Milwaukee at 7:30 tomorrow. The entire day will be spent here, and during that time the ex-President will visit the trade schools and other institutions of the city, drop in on the convention of the American Public Health Association, confer with some of the prominent public men of the city and State and take dinner on the guest of the Milwaukee Press Club. Following the Press Club dinner he will address a public gathering in the Auditorium.

ONTARIO MUNICIPAL ASSOCIATION MEETS

The Hague, Sept. 6.—Scheduled among the prominent speakers at the International Congress on Social Insurance, which began a three-day session here today, is Hon. Mackenzie King, minister of labor of Canada. Twenty-two countries have sent delegates to the congress.

PRIMARY DAY IS QUIET IN STATE

FAIR WEATHER GENERAL—LARGE VOTE IS EXPECTED.

ARE VOTING FOR TUCKER

Name of Dead Man is Being Used by Progressives All Over the State.

[BY UNITED PRESS.]

Milwaukee, Wis., Sept. 6.—With fair weather throughout the state predicted today, one of the largest votes in the history of the state is predicted at the close of the primaries tonight.

It is estimated at the various political headquarters here today that the heaviest vote will be polled between five and eight o'clock tonight and election returns will be vague in all districts for several days.

No intimation of how the primary vote was progressing could be determined this afternoon at the various campaign headquarters here. It was, however, stated that hundreds of phone calls were received all through the day from Milwaukee citizens asking the location of the respective voting booths.

This is attributed to have been an indication that the vote will be heavy and that more voters are vitally interested than ever before.

Vote For Tucker.

La Crosse, Wis., Sept. 6.—Reports received at progressive headquarters here from various counties of this section of the state today show practically all of the progressive element of the republican party are voting for Frank T. Tucker, progressive candidate for attorney general, who last week committed suicide at Oshkosh. Indications were at noon, if the dead man does not beat Levi Krumpholtz, stalwart, he will give him a close race.

Claims the Earth.

Madison, Wis., Sept. 6.—C. H. Crownhart, chairman of the La Follette campaign committee, says: "La Follette will carry every county in the state and we will have eighty members of the legislature on our side. McAdams will defeat Fairchild in Milwaukee county by a majority of 7,000. La Follette will win Cook's home county, Winnebago. All the insurgent congressmen will be returned."

Day is Quiet.

Neenah, Wis., Sept. 6.—Primary election day passed quietly in Neenah and Menasha. As one of the candidates for the office of United States Senator lives here, much interest centers at his home all day waiting for the predicted returns tonight. He was confident of victory.

Use Machine.

Grand du Lac, Wis., Sept. 6.—Fond du Lac is today using voting machines at the primaries for the first time in local history.

POOL CHAMPIONSHIP MATCH IN NEW YORK

New York, Sept. 6.—The match between Jerome Kough and Tom Huston for the world's pool championship began in a local academy tonight and will be continued through tomorrow and Thursday nights. The match is for 250 points. Kough won the championship title from Huston last winter and since then he has defended it successfully against two claimants.

President Matthew Wall of Chicago presided at the opening session.

THIRTY-FOUR YEARS OF SOLITARY LIFE

Jerse Pomeroy, Notorious Life Prisoner, Seems Proof Against Slow March of Dreary Months.

[SPECIAL TO THE GAZETTE.]

Boston, Mass., Sept. 6.—Jerse Pomeroy, probably the most notorious of life prisoners in the United States, today entered upon his thirty-fourth year as a solitary confinement prisoner behind the gray walls of the State prison in Charlestown. At the age of fourteen years he was sentenced to life imprisonment for torturing and murdering little children. For thirty-three years he has been confined in a little cell, dark and bare, never once being allowed to attend divine service or to work or exercise with the other convicts.

MICHIGANDERS ARE IN PRIMARY ARRAY

Julius Burrows Contests With Progressive Townsend for Senatorial Toga.

[SPECIAL TO THE GAZETTE.]

Lansing, Mich., Sept. 6.—A statewide primary election is in progress throughout Michigan today for the nomination of candidates for governor and other state officers, representatives in congress and members of a legislature which will choose a United States senator. Senator Julius C. Burrows and Congressman Charles E. Townsend are rival candidates for United States senator. Their names appear on the republican primary ball, but both have agreed that the one receiving the largest vote shall be the choice of the republican legislators of the state for election.

The contest between Burrows and Townsend for the senatorial toga has been one of the most spirited fights of its kind that Michigan has seen in years. Both have stamped the state from end to end. Mr. Townsend is known as a progressive republican, while Mr. Burrows is known as a conservative. Both of the candidates are willing to be known as friends of President Taft. No democratic aspirant for the senatorship has entered the primary, but the name of W. A. Taylor of Battle Creek appears on the ballot as the choice of the prohibitionists to succeed Senator Burrows.

Next to the senatorship fight the republican contest for the gubernatorial nomination is attracting most attention. The three candidates for this honor are Chas. S. Osborn, Patrick H. Kelley, the present lieutenant governor, and Angus S. Muskegon of Grand Rapids. The prevailing belief appears to be that either Osborn or Kelley will receive the nomination. The democratic nominee will be Lawton T. Homan, who was the candidate two years ago and made an excellent showing against Governor Warner. F. W. Corbett of Lansing and Joseph Warneck of Harbor Springs will head the prohibition and socialist tickets, respectively.

Congressman Denby of the first district, Hamilton of the fourth, Smith of the sixth, McLaughlin of the ninth, and Dods of the eleventh are unopposed for re-nomination. Henry C. Smith and W. W. Wedemeyer are fighting for the republican nomination in the second district, now represented by Congressman Townsend. In the third district Congressman Gardner has a hard fight on his hands, and the same condition prevails in the fifth district, where Mayor Ellis of Grand Rapids is opposing Congressman McAdams. In the seventh district Congressman McAdams has a fight on his hands but is likely to win out. Congressman Pomeroy of the eighth district and Lord of the tenth, though they have opposition, are expected to be re-nominated. Congressman Young of the twelfth district has a harder fight on his hands and the result is doubtful.

CONFEDERATE VETS MEET AT NORFOLK

North Carolina Division Began Its Annual Reunion With Large Attendance Today.

[SPECIAL TO THE GAZETTE.]

Norfolk, Va., Sept. 6.—Norfolk is a mass of hunting and flags in honor of the North Carolina Division of the United Confederate Veterans, whose annual reunion began here today. It is the first time the North Carolina veterans have ever met outside their own state. The attendance of visitors is large and all indications are that the reunion, which will last three days, will be one of the largest and most enthusiastic gatherings ever held by the North Carolina veterans.

MEXICAN WAR VETS' FINAL ROUND-UP

What is Expected to be the Last Convention is Being Held in Indianapolis Today.

[SPECIAL TO THE GAZETTE.]

Indianapolis, Ind., Sept. 6.—What is expected to be the last of the national convention of the Mexican war veterans began in Indianapolis today. There are but a few hundred survivors of the war left and their average age is eighty-six years. Former Vice President Fairbanks, Governor Marshall and Senator Beveridge assisted in the welcome of the visitors.

LUTHERANS MEET AT RICHMOND, VA.

United Synod of Evangelical Church of the South Began Week's Session Today.

Richmond, Va., Sept. 6.—One of the largest denominational gatherings ever entertained in Richmond is the twelfth biennial convention of the United Synod of the Evangelical Lutheran Church in the South, which assembled in this city today for a week's session. The attendance includes several hundred delegates and visitors from Tennessee, North Carolina, West Virginia, Virginia, Alabama, Florida, Texas, Mississippi and Louisiana. The presiding officer is Rev. A. G. Veicht, of Charleston, S. C.

In also being held a meeting of the Home and Foreign Missionary Society, of which Mrs. W. F. Morehead of Salem, Va., is president.

NATIONAL FETE IN DIAZ' REALM

MEXICANS BEGIN CELEBRATION OF CENTENNIAL OF INDEPENDENCE.

WILL LAST ENTIRE MONTH

Climax Comes on Sept. 15, the President's Birthday—Visitors on Hand From All Over the World.

[SPECIAL TO THE GAZETTE.]

City of Mexico, Sept. 6.—All Mexico, from Sonora to Yucatan, has donned holiday attire in honor of the grand national celebration of the Republic's Centennial of Independence and, according to the program of the celebration the whole country will continue to wear its holiday attire during the entire month. In honor of the great national celebration practically the whole country has undergone a remarkable transformation. Everywhere, from the national capital to the smallest of the cities in the interior, the authorities took pride in having things put in shape for the occasion. The streets, of which many were repaved for the event, were thoroughly cleaned and scrubbed, public and private buildings put in repairs, whitewashed or painted and elaborately decorated in the national colors.

Naturally, the federal capital, surpassed all other cities of the republic by the magnificence of its preparations and decorations and visitors who have not seen this city for some time would scarcely recognize it in its splendid cleanliness, brightness and splendor. Decorations are everywhere in profusion, triumphal arches span the broad avenues and picturesque streets of the ancient city and hundreds of thousands of electric lights are strung through the principal thoroughfares, along the public squares and parks and trellised over the facades of the public buildings and some of the principal churches, so as to shed brilliant light upon the festive scenes at night.

Visitors there are from every part of the world. Every nation of the world, save three or four, has sent official representatives to convey the congratulations and best wishes of their respective governments to the Mexican nation upon this glorious anniversary of the establishment of its national independence. The American delegates, consisting of Governor Guild of Massachusetts, acting as personal representative of President Taft; Senator Eugene Chalmers, Crawford, Senator Green, Representative Foster of Vermont; Representative Pomeroy of New York; Representative Howard of Georgia; Justice Gerard of the Supreme Court of New York; ex-governor Franklin Murphy of New Jersey; Col. C. A. Rook of Pittsburgh and H. J. Shanley of Vermont, arrived here a few days ago and are luxuriously quartered in the Coban palace, on Calle Bucarelli. Like all the other foreign representatives they are treated with princely hospitality. Horses and carriages, automobiles and a small army of servants are at their disposal at all times and almost anything is anticipated.

The grand national celebration will not reach its climax until September 15, the anniversary of President Diaz's birthday and on the two following days, which mark the beginning of the era of Mexico's national independence, but the preliminaries of the celebration have already begun. Today the school children of Mexico celebrated by holding flag parades in every city of the republic. From now on to the end of the month every day will bring its features of celebration. Among the principal events in the federal capital will be the dedication of several monuments, federal department buildings and schools, excursions for the foreign delegates to points of historic interest, a grand civic parade on the day before the President's birthday anniversary, the dedication of the monument to Benito Juarez, the unveiling of a commemorative tablet to Morelos at Cuadadela; the dedication of the national university; the laying of the corner stone of the new legislative palace; a great sham battle and many other interesting features. Other cities also will have special celebrations marked by the inauguration of educational institutions, waterworks, market houses and other public institutions.

The principal day of the celebration will be Sept. 15, 16, and 19, when the magnificent historic pageants will take place. The preparations have been made on a scale of remarkable magnificence and thousands of men and women, dressed in costumes of various periods in the history of the country, from the time of the Incas to the present day, will take part in the magnificent pageants. Every state will be represented by a float representing some important event in its history and the federal district will have three floats. At night there will be fireworks and a grand illumination of the whole city, free theatrical shows, balls, banquets and bull fights and on Sept. 19, there will be the grand banquet and ball given by President Diaz in honor of the foreign representatives attending the festival of Mexico's first Centennial celebration.

FULL CREAM BUTTERMILK
FOR INFANTS.

A member of the Chicago
board of health is now advising
the use of buttermilk for in-
fants. When I began advising
buttermilk for infants several
years ago the practice was re-
luctantly questioned, but expe-
rience has proved it good. It must
not be supposed, however, that
the ordinary buttermilk, which
is devoid of fat and sugar, is ad-
vised as an exclusive diet. The
fatal effects of the severe strain
made upon the infant digestion by
the coarse curd of cow's
milk, especially in hot weather,
and the greater percentage of
injurious germ life in the ordi-
nary cow's milk in hot weather,
are largely avoided by producing
a pure culture full cream but-
termilk from the ordinary milk
by the use of a souring tablet,
which breaks up the curd, and
makes the milk more digestible,
besides furnishing an effective
antidote to the bacteria that
cause cholera infantum and other
intestinal disorders—or that
are incident to the development
of those ailments that are
caused by improper diet. Milk
sugar should be added, or maple
for older children, and the
sweet milk may be substituted,
periodically.

"All Wool and a Yard Wide"

"Doctor Richards, your former work for me has proven entirely satisfactory in the years I have had it in my mouth, so I come back to you for this new tooth which has broken down and needs attention."

This is what people say to me almost daily. The proof is in the years of use which my patients get out of my work. I know my competitors may that good work can't be done for less than their schedule of prices (which is double mine).

Notwithstanding people come in (as stated above) and show me my work doing good service yet.

I've been practicing in Janesville now in my tenth year. Let me save you one-half on your dental bill.

I'm called the Painless Dentist by my grateful patients.

LIGHT VOTE IS TO BE EXPECTED

INDICATIONS AT TWO THIS AFTERNOON WERE TO THIS EFFECT.

LITTLE INTEREST IS SHOWN

Voters Apparently Are Tired of the Primary Day's Work—Rings Active Throughout City.

According to indications this afternoon the vote at the primaries will be exceptionally light. This may be taken to mean that the interest in politics as portrayed by the primary system is waning, or that the candidates themselves do not appeal to the voters.

Both the conservative and progressive tickets are well represented by workers and almost every individual candidate for county office where there is any contest also has workers in the field. The race for sheriff is an interesting one and it is possible that by the splitting of the Janesville vote between Benke and Hanson, Merrill of Deloit will win out. For district attorney the Danwidde and Hemmings way workers are most insistent and it is thought that Danwidde will carry the city. The register of deeds contest is also showing a close race with Smiley, Davis and Atkinson running well together.

Congressman Cooper is making a hard fight for re-nomination and has workers at every poll, while the Ingalls followers take their cue from the conservative ticket which is headed by Cook and Waldrill. It is thought that Fairchild will carry the city, with Hudnall, Hancock and Cleary on that ticket well to the front. The progressives are using slips with the name of Tucker, who died last week on it, and urging the voters to cast their ballots for him, hoping if he is nominated to have his place filled by the state central committee.

The vote at two o'clock by wards, was: First, 189; second ward, 180; third ward, 283; fourth ward, 180; fifth ward, 98. This is exceptionally light.

MASTER MECHANIC IS ROBBED OF \$94

W. W. Hoffman Relieved of Large Amount of Money and Two Passes Yesterday Morning.

W. W. Hoffman, master mechanic at the new yards, was robbed of \$94 in currency and two annual passes yesterday morning about ten o'clock, by it is alleged, members of the gang of workmen now employed in installing a new turn table at the yards. Suspicion rests on two Italians, who are still working at the yards, and although the facts would seem to warrant arrests, none have been made.

Mr. Hoffman, who had just cashed a large check and carried the bills in a wallet in his vest pocket, had left that garment hanging on the door of a frame building adjacent to the turn table pit where the gang of men was at work. Two Italians were in the building at the time and were still there when the foreman left, forgetting to take his vest with him. Not five minutes later, he returned to find that the money and passes were missing but that nothing else had been disturbed.

Not having the authority to hold the two whom he immediately suspected of the theft, he left orders to have them watched and notified Sheriff Scheibel who arrived during the early part of the afternoon and searched the suspects as well as others of the gang. The money was not found during the cursory examination and despite the fact that the two men acted in a very suspicious manner, no arrests were made. Mr. Hoffman does not intend to allow the matter to drop and has offered a reward for information leading to the arrest and convictions of the robbers.

Hobbes, it is thought, also went through the effects of railroad laborers lodged in bunk cars at the stone quarry last night and made away with several articles of wearing apparel. An exact list of what was secured is not known as many of the Italians robbed could not be induced to tell what was missing. It is thought that some money was also secured.

GAZETTE TO FLASH ELECTION RETURNS ON SCREEN TONIGHT

Public is Requested to Rely Entirely on This Source of News and Not to Use Telephone.

Election returns from the city, county, and state will be received at the Gazette office this evening and flashed upon a screen on the north side of East Milwaukee street. Owing to the size of the bulletin and the time that it will take to make the count nothing more than partial returns and estimates may be expected from the cities until a late hour. The telephone in the Gazette office will be in constant use by correspondents in the various precincts and parties who have no information to furnish are kindly requested not to interrupt and interfere with the work by attempting to use them for private inquiries. Those who care to know about the returns are urged to either take advantage of the opportunity afforded by the screen or get spectators to furnish the desired information.

PUBLIC SCHOOLS OPENED TUESDAY

Large Enrollment in High School and in Grade Schools Throughout the City.

The public schools of the city were opened today for the fall term of the year's work. Judging from the attendance today in the high school and the grade schools, the enrollment will be fully as large as in previous years. At the high school, with a seating capacity of four hundred, all seats were taken and a few were without desks, so that the number on opening day this year probably exceeds that of last year. All teachers reported for work today.

LEAGUE SEASON HAS BEEN CLOSED

Regular Schedule of City League Ended Saturday But Postponed Games Must Be Played.

After seven innings of horse play by the Knitting company's team the nine of the Rock River Woolen Mills had been so lambed that to have continued the game would have been agonizing to the spectators, the Spinners being the winners in Saturday's game in the Commercial league by the score of 25 to 5. Both teams played but eight men, and those of the Knitting company were pick-ups, or drafted from other teams to fill out. The chief cause for the defeat of the Weavers was the wildness of their pitcher, Carroll, who was touched up for twenty-seven hits, one of them a home run by Butters, a recruit from the Parker team, who thus won the cigars offered. Hall started the game for the Weavers as catcher but was taken out after the first inning and Holtz substituted. Berger was in the box for the Spinners and allowed only seven hits. Nohr caught. The Caloric forfeited to the Y. M. C. A.

Saturday's game was the last of the regularly scheduled games in the league season, but there are several postponed games which will be played on Saturday of this week, if the plans now being made carry out. On this account the cup for the player making the largest number of safe hits has not been awarded. Stelly, left of the Parker team is high man at present, but there are several others close behind him who expect to come up to and beat his record of fifteen, with what additional hits he may make in the post-season games. The contents to be played off are between the following teams: Parker-Y. M. C. A., Parker-Woolen Mills, Lewis Knitting-Parker, Woolen Mills-Caloric, Lewis Knitting-Y. M. C. A., Y. M. C. A.-Caloric.

The Parker-Y. M. C. A. team stands at the head of the league and will remain there unless other teams may change their present positions as the result of the post-season games. The standing of teams:

Parker	9	0	1000
Woolen Mills	4	4	555
Lewis Knitting	5	5	500
Y. M. C. A.	4	6	400
Caloric	1	9	100

"THE BLUE MOUSE" AT MYERS THEATRE

Clyde Fitch's Farce Pleased Good Sized Audiences Yesterday Afternoon and Evening.

"The Blue Mouse," a farce which Clyde Fitch adapted from the German of Alexander Engel and Julius Horst—authors of "Girls"—was the attraction at the Myers theatre yesterday afternoon and evening and there were good sized audiences to appreciate the ingenious situations, unusual character studies, and clever lines. Miss Grace Merrill as Paulette Devlin, the vaudeville Salome dancer who is known to her intimates by the sobriquet which gives the play its title, is such a character ought to be and with Taylor gives an able interpretation of Llewellyn, the railroad president whom she ensnares. Guy D'Esclary gives a splendid interpretation of the impetuous secretary who is bent on bettering his station in the world by fair means or foul and the rest of the parts are all well taken. The piece, in keeping with all the shrewd productions, is superbly mounted.

CARPENTERS' PICNIC WAS WELL ATTENDED

And All Enjoyed a Good Time Despite the Cancellation of the Baseball Game.

There was an excellent attendance at the picnic given under the auspices of the Carpenters' Union at Yost's park yesterday and all who were present enjoyed a good time despite the fact that the baseball game which was to have been played by Janesville and Ft. Atkinson teams was called off on account of threatening weather. The Imperial band played and the taking of several straw votes provided considerable entertainment. One on sheriff gave Mr. Hanson a lead of one vote over Fred Henke.

OBITUARY

Mrs. Julia Katzmark.
The funeral services for the late Mrs. Julia Katzmark were held at the residence, 1521 Ravine street, Sunday afternoon at 2:30 o'clock. Rev. Roth of Deloit officiating. A quartette consisting of the Misses Clara and Pauline Olson and Messrs. Edward Larson and J. K. Jensen rendered several fine selections. The floral offerings were many, showing the high esteem in which the deceased was held. The pall-bearers were: Oliver Richards, Andrew Morstad, and A. P. Knuth of this city, John Bartel and Ed. Hammer of Afton, and Herman Linde of Milwaukee. Interment was made in Oak Hill cemetery.

Mrs. Katzmark was fifty-six years of age and for the last twenty-five years has resided in Janesville. She is survived by her husband and four daughters: Mrs. W. A. Swartzell of Burlington, Wis.; Mrs. Pauline and Esther, both now living in Janesville; Mrs. Morstad of this city; Mrs. William Hahr of Milwaukee; and Mrs. Bernard Falk of Chicago, and one brother, Mr. Oldenburg of South Dakota.

Mrs. Frederick Guse.
The funeral of Mrs. Frederick Guse was held at two o'clock this afternoon from the home of her son, Julius Guse, in the town of Center, and at 2:30 from the Lutheran church there. Rev. Wenzel officiated and interment was made in the cemetery at Center.

Mrs. Lawrence Sheridan.
At nine o'clock this morning funeral services for Mrs. Lawrence Sheridan, who died Sunday at the county hospital, were held from St. Patrick's church. The remains were interred in St. Olaf cemetery.

Chris. T. Wick.
Funeral services for Chris. T. Wick were held at two o'clock this afternoon at the grave in Oak Hill cemetery. The services were conducted by Rev. W. A. Johnson.

Mrs. Elizabeth Cramer.
Brief services for Mrs. Elizabeth Cramer were held at the Kimball morgue at 9:30 o'clock this morning. Rev. T. D. Williams officiating. A large number of the friends and relatives were gathered to pay their last respects and the floral offerings were taken to Mineral Point over the St. Paul road at 10:40 and services were held at the grave in the cemetery there.

Our Cider Vinegar is made from the first pressing pure cider. Most so-called pure cider vinegar is made by forcing water through the apple pulp (after the cider is drawn off) and fermented by artificial means.
Try this test—mix with water, half and half, and then taste them. The pure cider retains its strength—the other is simply half sour.

FORTY YEARS AGO

Janesville's Gazette, September 6, 1870—The National Game—The Fountain City Club, of Fond du Lac, played the return game with the Mutuels, yesterday, and were defeated by a score of 13 to 8. The weather was unfavorable, which prevented as large an attendance as would otherwise have been present. The game was started before the game was started, and went on at intervals throughout the whole game. The Fountain City had much luck to contend against and it was plain to be seen, after the first inning, that the Mutuels were using their best efforts to win, but having much confidence before the game commenced of gaining a victory, as they were without the services of the new pitcher who was made to play. The Mutuels played a steady game, both at the bat and in the field, hitting the ball in all directions and making a total of 21 first-base hits. Collins caught in an excellent manner, taking several foul balls that would do justice to any professional.

although his throwing to bases was rather weak, but was excusable, as the ball was soaked with water. Waters pitched throughout the entire game, and was very effective.

Jottings—The opening services of the Janesville Convention takes place this evening at 7:30 o'clock. A sermon will be delivered by the Rev. Wm. E. Armstrong, D. D. Tomorrow morning at 10:30 o'clock there will be divine service and Holy Communion.

A letter has been received by a gentleman in this city from the managers of the Chicago F. V. Works, and from the communication it may be inferred that there is yet a probability that the company will locate in this city.

In the Jackson will case a change of venue to Racine county has been granted by Judge Lyon, on motion of the proponents of the will.

One Dose Ends Indigestion, Gas, Dyspepsia or a Sick Stomach

Relief in five minutes awaits every man or woman who suffers from a bad Stomach.

Why not get some now—this moment, and forever rid yourself of Stomach trouble and indigestion? A diluted stomach gets the blues and troubles. Give it a good cut, then take Pape's Diapensin to start the digestive juices working. There will be no dyspepsia or belching of gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and dizziness, and your food will not ferment and poison your breath with nauseous odors.

Pape's Diapensin costs only 50 cents for a large case at any drug store, and will relieve the most obstinate case of indigestion and upset

Stomach in five minutes. There is nothing else better to take. Gas from Stomach and cleanse the stomach and intestines, and, besides, one single dose will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

When Diapensin works, your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolute relief from all Stomach ills is waiting for you as soon as you decide to take a little Diapensin. Tell your druggist that you want Pape's Diapensin, because you want to become thoroughly cured this time.

Remember, if your stomach feels out of order and uncomfortable now, you can get relief in five minutes.

Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface, such articles should never be used except on prescription from a reliable physician. As the damage they will do is too great to be paid for by the temporary relief they give, it is better to use a safe remedy. Dr. J. C. Cheney's Catarrh Cure, which is taken internally, acts directly upon the blood and mucous surfaces of the system. In buying Dr. J. C. Cheney's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by J. C. Cheney & Co., Inc. Sold by druggists. Price, 75c per bottle. Take Dr. J. C. Cheney's Catarrh Cure for constipation.

MAY SECURE A NEW FACTORY FOR CITY

Committee of Business Men to Confer With Members of Milwaukee Firm Desiring New Location.

[SPECIAL TO THE GAZETTE.]

Evansville, Sept. 5.—A mass meeting was held in the city hall Thursday evening for the purpose of considering a proposition of a Milwaukee firm who are looking for a location to manufacture a cream separator. Owing to the fair and the numerous other attractions in the city there was not a very large attendance, but Hon. A. S. Barker, G. W. Leyda and Robert Steed were appointed as a committee to visit Milwaukee and confer with the gentlemen having the matter in charge. It is understood that the city is expected to offer a location and a building as an inducement to the company to locate here. The committee will visit Milwaukee, Wednesday.

Auto Overturned.
A party of tourists had a narrow escape from serious injury last Saturday when their auto ran into a dog and was overturned near the farm of Leo Campbell one mile east of town. There were four occupants in the car and it was a miracle that no one was seriously hurt. One of the gentlemen suffered a badly sprained ankle and a lady was somewhat bruised, but after a visit to Dr. Colony's office, they were able to continue on their journey. The party was from Beloit and were on their way to the Wisconsin Dells.

ONE DIES IN RAILROAD WRECK

PASSENGER TRAIN ON ILLINOIS CENTRAL IS DITCHED NEAR GALENA, ILL.

ENGINEER SCALDED TO DEATH

Every Coach Except Diner Leaves Ralls—Wild Panic Among Passengers Enroute—Fifteen Persons Are Injured, Three Probably Fatally.

Galena, Ill., Sept. 6.—Illinois Central passenger train No. 6, west-bound, went into the ditch at a point between Council Bluffs and Seals Mound, sixteen miles east of here, killing Engineer Frank Tucker of Freeport, Ill., and injuring 15 passengers, three probably fatally.

The accident occurred on a sharp curve and all cars except one left the track and fell over on their sides.

The dead:

Frank Tucker, Freeport, Ill., engineer.

The injured:

R. E. Mitchell, Freeport; Mae Floy, Chicago; Forest Roney, Chicago; Geo. Rowan, Dubuque; Walter Grant, Chicago; Mrs. Lavigne, Schell, Ill.; Frank Campbell, Freeport; A. L. Morrishaw, Chicago; Mrs. Minnie Kolter, Freeport; R. H. Holmes, Freeport, postal clerk; E. H. Tompkins, Chicago, baggage man; H. C. Roth, residence unknown; Mrs. W. H. Miner, Webster City; Francis Kehler, Joliet, Philoned and Scalded.

Tucker was caught on the ganaway between the tender and the locomotive when the engine plunged through the open rail and turned over. He was pinned by a steel plate that held him suspended by the feet until he was scalded to death by steam escaping from a broken pipe.

Panic Follows Disaster.

Every car but the last, which was a diner, left the track. The train turned over, throwing many passengers across the cars. A wild panic ensued.

Screams and moans were heard above the loud hiss of the steam escaping from the engine and passengers in terror fought their way across the berth and seat sides to doors and windows.

Several passengers in the diner narrowly escaped serious injury when china and glassware was scattered over the car. Flying glass in other cars added to the scenes of terror.

An investigation into the cause of the wreck at which passengers and members of the crew were to testify was ordered immediately.

Train Well Filled.

Train No. 6, the fast mail, the popular Illinois Central train for western Iowa and South Dakota points, carries three sleeping cars, one chair car, and a through coach to Sioux City. All cars were well filled with passengers for western points.

The train was said to be a few minutes late and was making up time when the accident occurred.

The heavy steel back of the mail coach broke the shock and prevented a much worse disaster. Doctors from here were rushed out and relief and a wrecking train from Dubuque was sent to the place of disaster with doctors and nurses. The injured were taken to Dubuque hospital.

FAMILY OF EIGHT MURDERED.

New York Ex-Policeman, Wife and Children Blain by Black Hand.

Rogio, Calabria, Italy, Sept. 6.—To the vengeance of the Black Hand society in New York is ascribed the revolting murder of ex-Policeman Rogio, his wife and six children in the little village of Pellaro, which lies eight miles south of Rogio on the Strait of Messina.

Early in the morning some of the townspeople of Pellaro were awakened by shrieks of a child, and rushing to the cottage, occupied by the Rogio family found the three-year-old daughter of the policeman lying with her throat cut before the open door of her home, screaming pitifully.

Villagers carried the child inside the house where they were horrified to find the remaining members of her family lying dead, all of them having been terribly mutilated by blows from an ax.

The Rogios suddenly returned from the United States a short time ago, and since then, it is said, two attempts have been made to poison them.

POOR PAY FILLS TENEMENTS.

Minimum Living in New York \$850 a Year—Wages \$535.

New York, Sept. 6.—A preliminary report of a subcommittee of Mayor Gaynor's congestion committee declares that the low wages paid workmen in New York is the chief cause of the tenement-house congestion.

The committee says that \$850 a year is the minimum upon which a man, his wife and three children can live comfortably in Manhattan.

The average wage paid in Greater New York, the committee finds, is about \$535 a year.

Quota Pastor Girl Accused.

Plattburgh, Mo., Sept. 6.—Rev. Clyde Gow, formerly pastor of a Lincoln county Methodist Episcopal church, South, was dismissed from the church on charges made against him by Miss Elizabeth Gleason, a school teacher, who died two years ago as the result of an operation.

REWARD OF \$12,000 OFFERED.

Big Purse Offered at Peoria for Arrest of Dynamiters.

Peoria, Ill., Sept. 6.—An aggregate of \$12,000 reward has been offered for the apprehension of the perpetrators who dynamited the A. Lucas & Son's foundry and damaged the Russell Manufacturing plant and the Peoria Co-operative company, besides the two great steel girders for the new Peoria and Pekin railway bridge.

Mayor Woodruff called a special meeting of the city council and upon his recommendation and that of Chief of Police Rhodes a reward of \$5,000 is authorized for information that will lead to the arrest of the dynamiters.

Superintendent R. H. Johnson of the Peoria and Pekin Union has offered \$2,000 and has recommended to the company that the amount be made \$5,000.

McClintock & Marshall of Pittsburg, manufacturers of the Peoria and Pekin Union girders, add \$2,000 reward, which will bring the total up to \$12,000.

5,000 RAIL WORKERS STRIKE.

Walk-Out of Southern Pacific Car Men Spreads in Southwest.

Galveston, Tex., Sept. 6.—The strike of the Brotherhood of Railway Car Men on the Southern Pacific, which was inaugurated Sunday evening, is spreading to the Gould lines in the southwest. The striking workmen include the car repairers, checkers and inspectors on all lines of the Southern Pacific from New Orleans to El Paso. Officials say that over one thousand men are out, while the brotherhood officials say more than three thousand men are on strike.

It is announced that the brotherhood men on the International & Great Northern and the Texas Pacific have quit, swelling the number to about five thousand strikers.

Eddie Hearne, in Big Benz Car, Runs Away From His Field in Half Century Free-for-All Race—Maroon Second.

Indianapolis, Ind., Sept. 6.—Fighting all the way, first with his team mate, Al Livingston, then for 155 miles with Maroon in his Marmon Vasp, until the Vasp broke a coupling in the sixteenth lap, John Aitken in a National car won the 200-mile race and \$1,000 in the closing event of the season at the Indianapolis motor speedway. His time was 2:47:54.74.

Dawson's time in the last 200-mile race for the Cuba trophy at the speedway in July was 2:43:20.13. Dawson dropped out because of a broken coupling. Livingston in a National was second; Harndollar, in a Marmon, was third; and Greiner, in a National, fourth. Twelve cars started the grid.

Three Fight for Lead.

Aitken, Clements and Harroun were fighting for the lead at 30 miles, with Aitken two car lengths in front. Livingston was running fourth and Dawson fifth. The field was scattered. Harroun had the lead at 70 miles by more than a lap. Aitken was running second. Livingston was third.

Harroun was ahead of the world's record at 75 miles, his time being 1:03:31.3. Harroun made his first stop in the thirtieth lap, or 75 miles, to change a rear tire. Harroun showed the way at eighty miles. Aitken second, Livingston third and Greiner fourth.

Makes New Track Record.

Aitken had established a new American track record at 150 miles. His time was 2:04:21.3. The best previous time was 2:05:00.6, made by Robertson at Atlanta. Harroun was a close second at 150 miles.

Aitken showed the way at 160 miles with Harroun two seconds behind. Livingston stopped to change tires and Dawson, in a Marmon, went into third place. Harroun quit at 180 miles. The latter part of the race was run in a drizzle, which made the going dangerous.

Hearne Wins 50-Mile Event.

Eddie Hearne, driving a big German Benz car of 120 horse-power, ran away from a field of eight starters in the 50-mile free-for-all open race, finishing in front of his nearest competitor, Harroun, in a Marmon, by more than half a lap. Al Livingston, in a National, finished third, and DePalma, in a 200 horse-power Fiat, fourth. The time was 38:02.65, a fraction of a minute short of the national speedway record of 37:55.53, set by DePalma on the Los Angeles track.

MORSE IN DUNGEON FOR DEFYING WARDEN

Banker Under Sentence at Atlanta Prison Enrages Official, Is Thrown Into Dark Cell.

Atlanta, Ga., Sept. 6.—Charles W. Morse, the former ice king and banker, who is serving a sentence of 15 years in the federal prison here, was made to spend two days in the dungeon because he defied Warden William H. Moyer.

Morse, by his action, also lost all right to "time off" for good behavior up to the day of his clash with the warden. His "good behavior" suit was taken from him, and he was put into a uniform worn by refractory criminals.

While in the hospital the banker became acquainted with a youth

Charles W. Morse.

whose time was about to expire, and the ex-banker asked him to do some business favor for him.

It is understood that the youth agreed and that Morse gave him a considerable sum of money as a reward.

As it is against the rules for a convict in the prison to have any money in his possession, Morse was haled before the warden and questioned concerning the transaction. Morse, it is said, refused to reply to the warden's questions, and grew so defiant that the warden ordered him sequestered.

One hundred dollars in bills was found in his clothes and was taken from him.

Morse's attitude enraged the warden to the extent that he ordered the ex-banker thrown into a cell known as the "dungeon" which is practically dark. For two days Morse was kept there and given nothing but bread and water.
